SUBJECT :

DDS&T-3726-78
Draft GAO report on U.S. Export Licensing
Administration.

X1

[Redacted] In answer to your memo dated 4 August 1978, a review was made of the GAO report and the attachments and it is my opinion and that of others in OTS that the recommended changes would in no way affect OTS operations nor procurement practices. We are returning the GAO draft and the attachments as requested
